## AHDA - August Newsletter

### AHDA CPD directory

We are all very aware that the impact of CV19 has meant that there has been no opportunity for face to face CPD as planned events have been postponed or cancelled. Also many individuals who would have been delivering this CPD have been away from work on the Government Furlough scheme.

RAMA (SQPs) have also been fully stretched in their work place coping with social distancing and the restrictions on trading that have been put into place.

AHDA is now in the process of compiling a comprehensive directory of AMTRA accredited CPD that can be accessed either on line or through animal health publications. This will give a full up to date picture of what is currently available and how it can be accessed by RAMA (SQPs).

Once complete, AHDA is then looking at developing new CPD modules for AHDA members over the coming months. If there are any specific areas that anyone would like to see included please let us know.

### Remote prescribing

Please click on the link below to access the latest information from the VMD regarding remote prescribing.

### AMTRA Exams to resume

The first AMTRA exams will be taking place on 12th August at Harper Adams. The SQP exams have been on hold since early March due to the CV19 outbreak. Further details can be found on the AMTRA website or by clicking the following link: [AMTRA WEBSITE](#)

### Business advice from Croner

As an AHDA member company you are able to access the services of Croner for any employment issues including extra information around employees and Corona Virus situations. The AHDA policy number is 80340. Please follow these links for more details.

### **Face coverings to be required in additional indoor settings**

From 8 August the requirement to wear a face covering will be extended to other indoor settings where people are likely to come into contact with others they do not normally meet, such as museums, galleries, cinemas and places of worship.
